RELATED MOTIONS AND *EX PARTE*  
APPLICATIONS BEFORE THE  
MAGISTRATE JUDGE**

Upon consideration of the parties' Stipulation Regarding Motions and *Ex Parte* Applications, dated September 23, 2013 ("Stipulation"), and for good cause shown, the Court approves the Stipulation with the following modifications/clarifications: (1) the Stipulation and this Order govern only discovery-related motions and ex parte applications before the Magistrate Judge only; (2) in light of the foregoing, the last sentence of paragraph 4 of the Stipulation – which relates to matters before the District Judge – is deleted; and (3) absent further order of the Court: (a) an opposition to an "urgent" ex parte application (referenced in paragraph 4 of the Stipulation) is due on the first business day after the ex parte

1 application is filed and no earlier than 24 hours after the ex parte application is filed  
2 (e.g., if an urgent ex parte application is filed at 11:59 p.m. on Monday, the  
3 opposition is due at 11:59 p.m. on Tuesday, absent further order of the Court);  
4 (b) any reply to an opposition to an “urgent” ex parte application is due on the first  
5 business day after the opposition is filed and no earlier than 24 hours after the  
6 opposition is filed; and (c) if a party does not intend to file an opposition or reply  
7 (such that it is unnecessary for the Court to await receipt thereof in order to resolve  
8 the matter), the party may file a notice of intent not to file such a pleading before the
